Innogeeks

Innogeeks is an appreciable initiative by the faculty and students to bring the institute on same platform with national as well as international institutions. Founded in the year 2018, under Department of Information Technology, the club aims to technically strengthen the students by integrating their skills in the various fields of Engineering and Technology, so as to cop up with the highly competitive environment. It's a great workspace, a comprehensive inventory, ample guidance from senior students. The mission is to inspire the innovators within everyone. Innogeeks enhances the student's practical knowledge horizon by organizing the classes, seminar within the college. The club works on the following domains: Web Development, Android Application Development, Augmented Reality and Virtual Reality, Machine Learning Internet Of Things, Graphic Designing. The club is committed to generating, dissemination and preserving knowledge and to working with others to bring knowledge to bear on the world's greatest challenges. INNOGEEKS is dedicated to provide its members with an education that combines rigorous theory sessions as well as the excitement of discovery which comes with the practical knowledge given hands on by working on live projects. We seek to develop in each member of INNOGEEKS community the ability and passion to work wisely, creatively and effectively for the betterment of humankind.
